

Australian vocational education and training statistics

VET student outcomes 2021

Wealth Within Institute Pty Ltd

Qualification completers

National Centre for Vocational Education Research

Introduction

This report provides a summary of the outcomes and satisfaction of students who completed nationally recognised vocational education and training (VET) during 2020, using data collected in mid-2021. The figures are derived from the National Student Outcomes Survey, which is an annual survey of VET students.

Information is presented for qualification completers at Wealth Within Institute Pty Ltd. Qualification completers are students who completed a training package qualification or an accredited qualification.
